

Coachella Valley Water District and Desert Water Agency 2014 Water-Energy Grant Proposal Eligibility Documentation – Groundwater Management

Attachment 1, Groundwater Management consists of the following information, which provides answers to the questions on page 19 of the Final PSP:

✓ Agency Name and Contact Information

There are two agencies responsible for project implementation – Coachella Valley Water District (CVWD) and Desert Water Agency (DWA). The contacts for these agencies are:

- Coachella Valley Water District:
 - Contact: Patti Reyes, Planning and Special Programs Manager
 - Phone Number: (760) 398-2661
 - Email Address: preyes@cvwd.org
- Desert Water Agency:
 - Contact: Katie Ruark, Public Information Officer
 - Phone Number: (760) 323-4971
 - Email Address: Katie@dwa.org

✓ Project Location and Service Area Boundaries

- Location: See **Figure 1-1** for latitude and longitude of the Regional Turf Reduction Program and the DWA Energy Efficiency Project
- Implementing Agencies: CVWD and DWA (see **Figure 1-1**)
- GIS shape files with service area boundaries have been submitted to DWR through GRanTS.

✓ Groundwater Basin Information, CASGEM Priority, and Monitoring Entities

The Proposal overlies several groundwater sub-basins, including: Desert Hot Springs, Indio, Mission Creek, West Salton Sea, and Garnet Hill. The sub-basins with medium- or high-priority are shown in the following table, as well as the priority of each sub-basin and the designated monitoring entities for each sub-basin.

Groundwater Sub-basin	CASGEM Priority	Monitoring Entity
Indio	Medium	CVWD and DWA
Mission Creek	Medium	CVWD and MSWD

As shown in the above table, there are no high-priority sub-basins relevant to the Proposal and there are established monitoring entities for the medium-priority sub-basins that are relevant to the Proposal. Both CVWD and DWA are eligible monitoring entities per CWC § 10927 and have established themselves as monitoring entities for groundwater basins per CASGEM requirements.
